

The Modern Charitable Giving Platform

Make employees the authors of your impact story through corporate charitable giving. Automatic rules-based charitable matching, reporting, and administration in one simple platform.

Trusted by companies nationwide.

Employee giving that drives engagement.

Matching on autopilot.

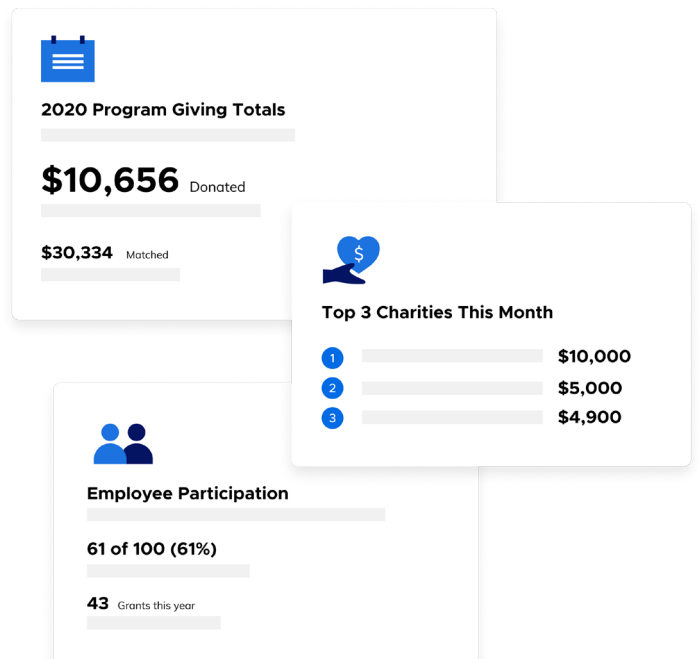

Fulfill unlimited matching gifts to over 1.7 million verified global charities, with zero paperwork, through one consolidated monthly payment.

Create campaigns for any cause.

Select charities to fundraise for or allow us to suggest curated causes to drive giving with purpose.

Recognize others through charitable stipends.

Issue stipends of charitable money to empower employees, customers or ERGS to give your philanthropic dollars where they believe it will do the most good.

Launch a giving program without the extra admin.

Track impact with monthly reporting.

We'll send you data on engagement, participation, donation totals, and top organizations. Use insights to reinforce your culture and brand.

Automatic compliance and receipting.

Our compliance technology eliminates the need to verify employee gifts or validate the charitable status of organizations.

Seamless matching fulfillment.

Our system tracks match requests and automatically matches from your corporate account using one consolidated monthly payment.

Giving back, done better.

No fees on giving.

Giving should be free. 100% of donations go to supported charities. Charityvest never takes a fee from gifts.

Launch in minutes, not months.

Our platform allows companies to launch quickly. Add or remove participants, or modify your subscription, at any time.

Use tax-smart contributions to fund giving.

Employees, and the company, can contribute publicly-traded stock, pre-IPO equity, and cryptocurrency to fund giving, enabling great impact and enhancing tax advantages.
